

SU MYAT PHYU

Software Developer

☎ 09 957042528 @ sumyatphyu2422004@gmail.com 🔗 LinkedIn/Portfolio 📍 Yangon, Myanmar

SUMMARY

Eager to contribute as a software developer, specializing in front-end technologies such as React.js, HTML, and CSS to drive impactful projects. Equipped with recent educational accomplishments in software engineering, coupled with practical experience in collaborative projects like Meals on Wheels. Proficient in innovative frameworks like Laravel and Tailwind CSS, showing a commitment to advancing technical skills and delivering high-quality solutions.

EXPERIENCE

Meals on Wheels (Web Application - Laravel Framework)

Merry Meals

📅 2024

MerryMeal is a charitable organization that prepares and delivers a hot noon meal to qualified adults living at home who are unable to cook for themselves or maintain their nutritional status due to age, disease, or disability.

- Implemented a seamless food delivery service with Laravel framework.
- Developed user authentication, dashboard, forms, etc.
- Utilized Git for version control and ClickUp for project management.

EDUCATION

Level 3 Foundation Diploma in Software Engineering

Lithan Educlaas Academy
